

THE SEMI-PRECIOUS
STONES COLLECTION

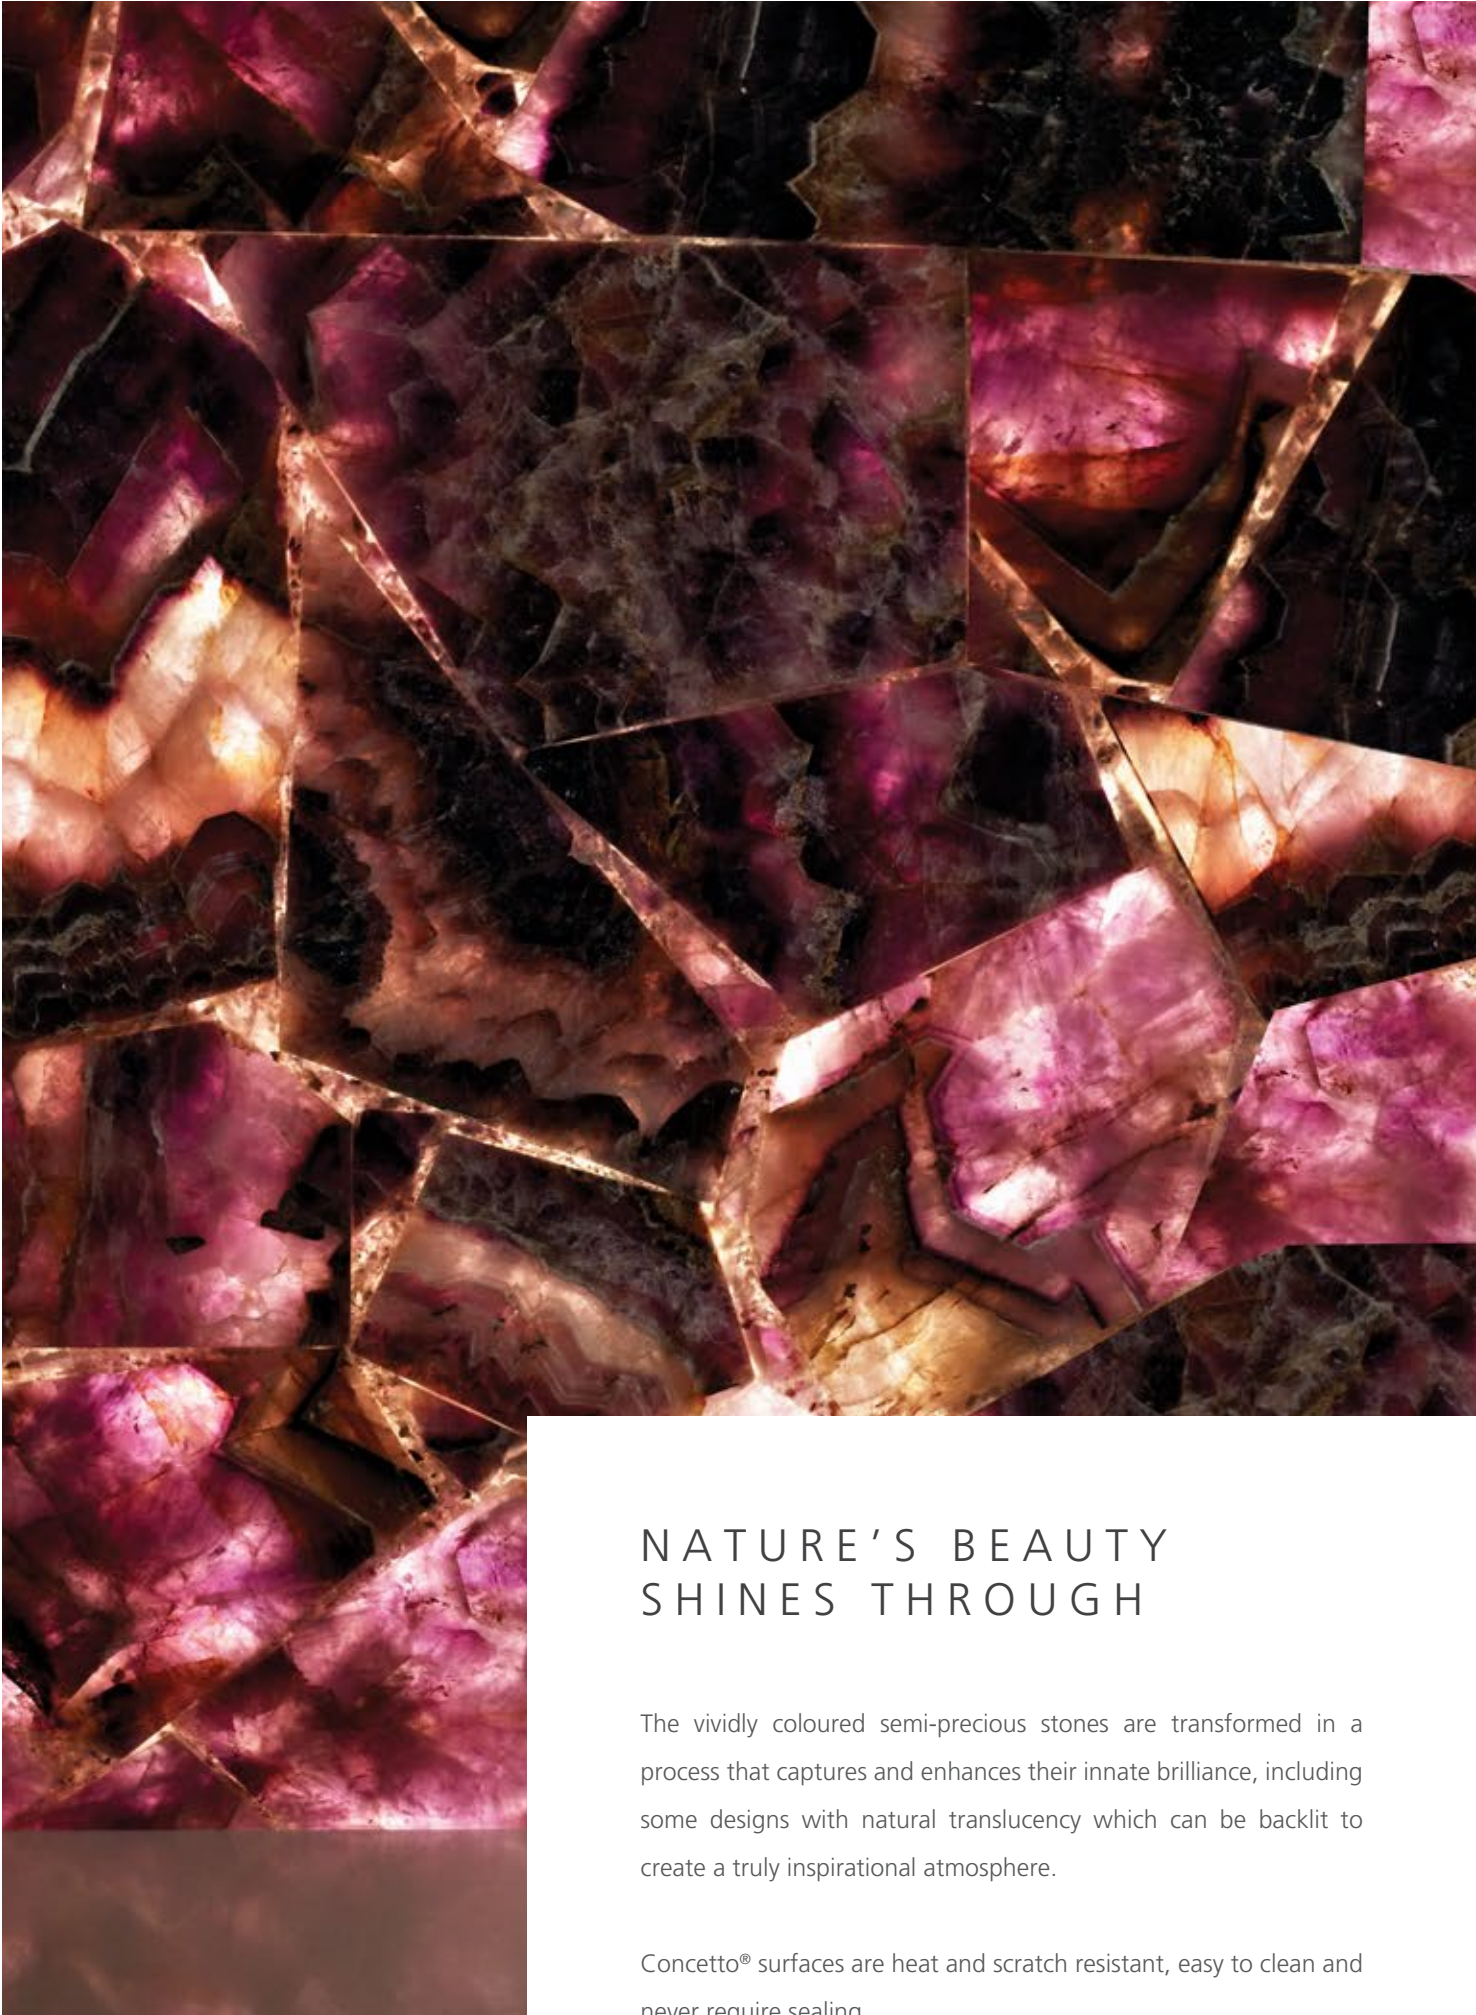

THE SEMI-PRECIOUS STONES COLLECTION

Concetto® surfaces are handmade from individually cut and bound, finest quality semi-precious stones 150 million years in the making. The result are surfaces that are not only uniquely beautiful, but also timeless works of art.

Concetto surfaces can be used in applications such as bench tops, splash backs, wall paneling and furniture.

Blue Agate™ 8531

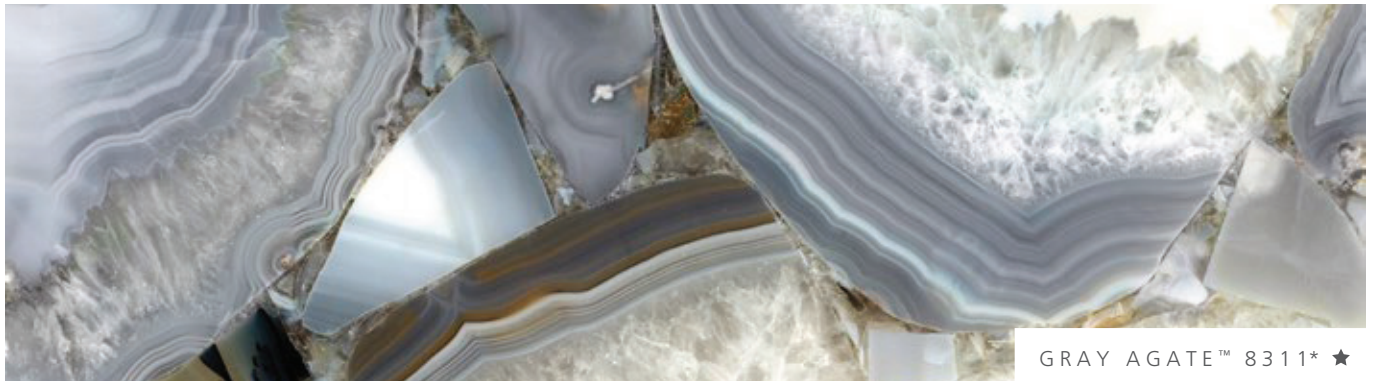

NATURE'S BEAUTY SHINES THROUGH

The vividly coloured semi-precious stones are transformed in a process that captures and enhances their innate brilliance, including some designs with natural translucency which can be backlit to create a truly inspirational atmosphere.

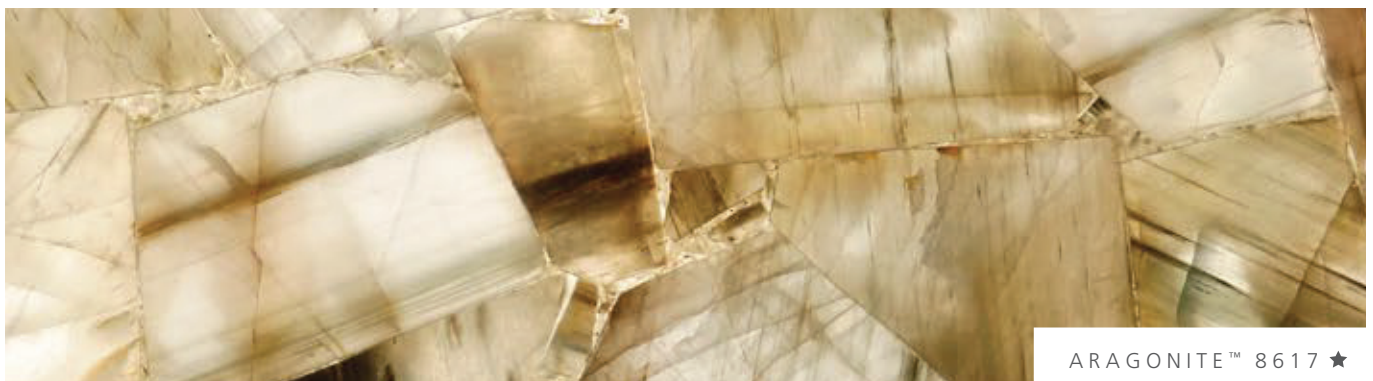

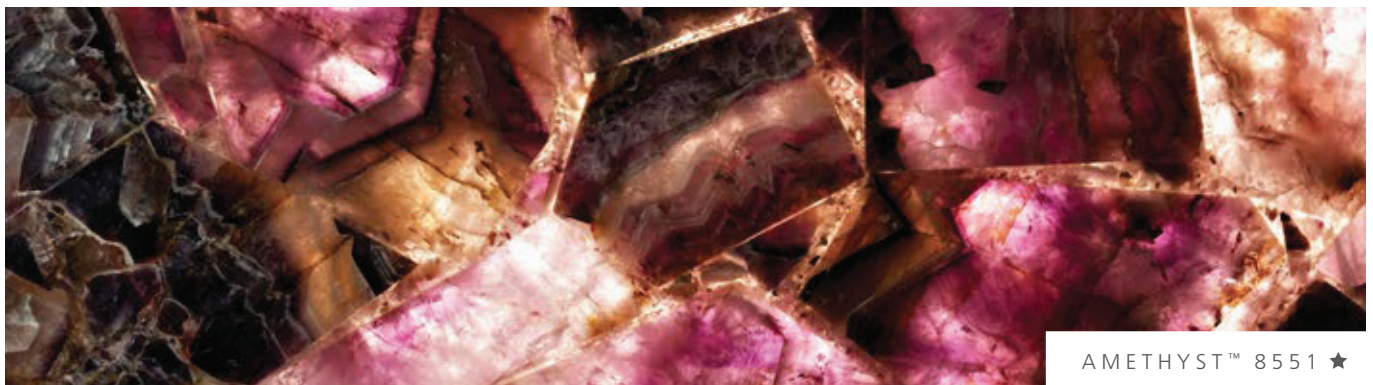

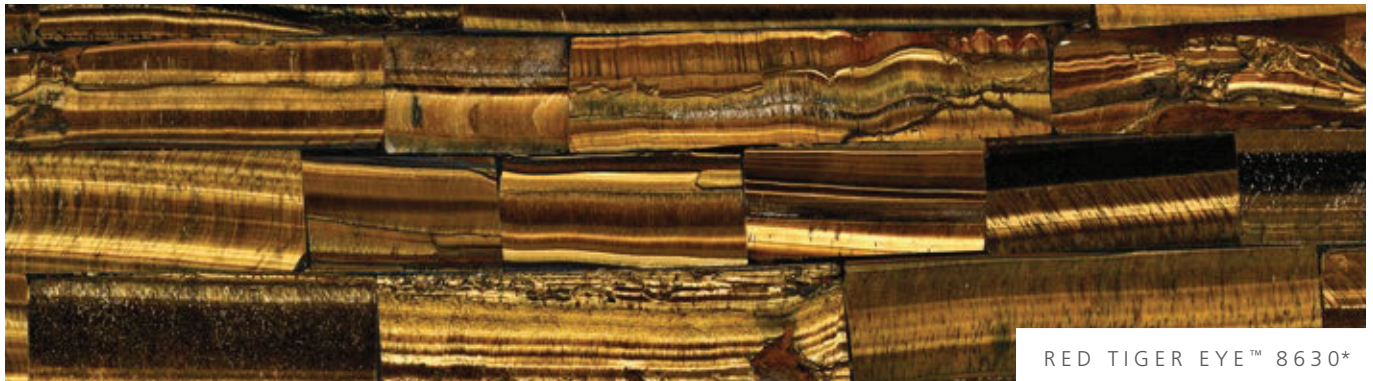

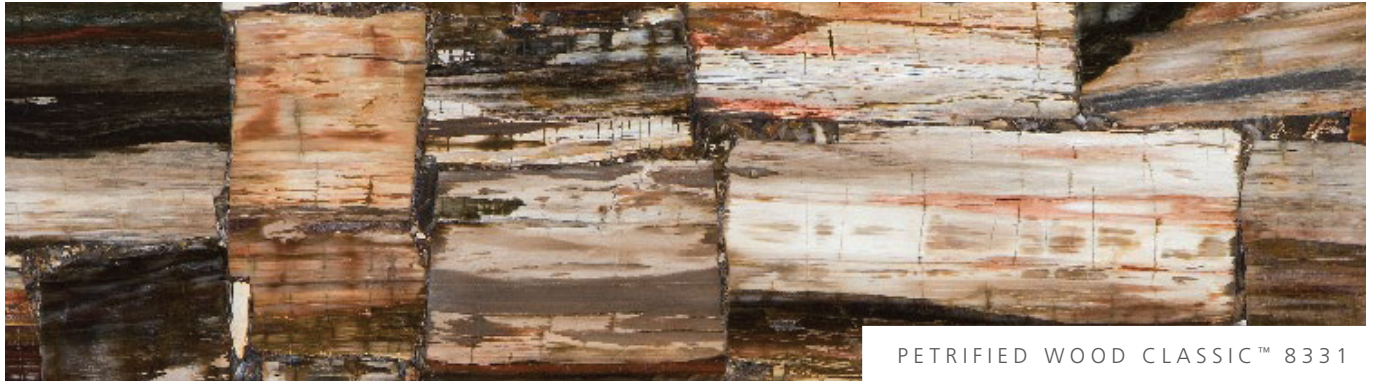

Concetto® surfaces are heat and scratch resistant, easy to clean and never require sealing.

Amethyst™ 8551

Please note, shade and pattern of actual product may vary from printed sample.

SUPERB QUALITY

Our quality control is second to none as we check each slab individually before declaring it flawless. We are also committed to the highest safety and eco standards, and take great pride in becoming the first quartz manufacturer to achieve the ISO 14001 international standard for

environmental management and performance. All our products meet the stringent American Greenguard standards and we are proud to have NSF (National Sanitation Foundation) accreditation which means our surfaces are safe enough for use in labs, healthcare facilities and food

Red Tiger Eye™ 8630

preparation environments. To guarantee your complete peace of mind, rest assured that all Concetto® luxury surfaces come with a comprehensive 10 Year Limited Warranty. Concetto® surfaces are heat and scratch resistant, easy to clean and never require sealing.

The Concetto® nominal slab dimension is 3020mm x 1415mm x 25mm unless otherwise stated.

Backlit White Quartz™ 8141
