Welcome to Lincoln Sentry

Trade distributor of products in the building, kitchen renovation, furniture making and shop fitting markets.

From its establishment in Brisbane in 1986, Lincoln Sentry has evolved, grown and expanded to become one of Australia's leading suppliers and distributors of hardware and components to the cabinet and furniture making industry and the window, door & glazing industries.

Lincoln Sentry operates as two divisions - Cabinet Hardware and Architectural Hardware - each focused on distinct product channels for the Australian market.

It is our mission to continue to grow our position as the supplier of choice to the industries we serve by providing innovative, high quality products sourced from around the globe and supported by a value adding sales, service and branch network of 25 locations nationwide.

Lincoln Sentry is proudly a member of DuluxGroup.

About us

Established in Brisbane back in 1986.

Being successful in such a wide variety of fields is all about having the right range to suit current and future trends. What we offer is simple – the best selection of quality products in 25 locations around Australia – underpinned by expert knowledge and advice.

This integrated approach results in our unique ability to bring together multiple elements required by cabinet makers, furniture makers, glaziers, fabricators, designers, builders and renovators and to provide a single source of reference, specification and supply for all types of residential and commercial projects. It's an offer unmatched by any single competitor.

Our service promise

Our distribution network consists of 25 branches across Australia including 5 large distribution centres in the major metropolitan hubs. We pride ourselves in our ability to meet our customers' needs and always look to have the right product in the right place at the right time.

An overview of the services and support you can expect from us –

Extensive Range of Quality Products – we have the broadest range of products in the industry. Our leading brands and strategic relationships ensure we can meet your needs and even if it's not in our catalogue our specialist teams can probably find it for you. Let us know what you're looking for and we will do our best to help.

Local Network with Timely Delivery – the majority of products are stocked in our branch network to meet your immediate needs. There is a slightly larger range in our metropolitan locations and if the branch doesn't have what you're after, we will get it to you the next working day from our distribution centres. Some of the uncommon items and special requirements may take a little longer but we will let you know when you place your order.

Product and Technical Expertise – our customer service teams are trained to be able to guide you with your purchase. Should additional technical expertise be required our representative teams and technical experts are also on standby to help.
